Dear Sir:

This communication is in response to the Notification of Defective Response dated July 7, 2008 in the above-identified U.S. National Phase 371 patent application.

The Declaration of the inventors was considered defective because the second inventor, David Taft, was not listed on the International Application published under the Patent Cooperation Treaty.

In response, Applicants attach the following documents from related PCT Application PCT/US04/42832:

1. Notification Relating to Declaration Made Under PCT Rule 4.17 dated September 14, 2005. This Notification acknowledges receipt of the Declarations filed with the PCT to add David Taft as the second inventor and states that David Taft will not be listed on the PCT Publication because of the expiration of the time limit;

2. Notification of the Recording of a Change dated September 14, 2005 accepting Davie Taft as the second inventor in PCT Application PCT/US04/42832.

A three month extension of time fee of \$525.00 is due with this communication. The Commissioner is hereby authorized to charge payment of this fee and any other fees due with this Response to Deposit Account No. 19-2090.
